

Dunstall Hill Newsletter

Autumn Term 2 - 2018 -19

Attendance is 96% (National average)!

We want to start this newsletter with a fantastic piece of news. Dunstall Hill is now ranked in the top ten primary schools in Wolverhampton! Our results last year place us third in the city overall. We are sure you will wish to join us in congratulating the children, adults and yourselves for all the hard work that has led to this well deserved and recognised success.

Mr Asbury, Mr Fellows, Mrs Chander, Miss Butler, Miss Lay and Miss MacDonald

Performing Arts

Children from year 5 and 6 performed at Ormiston New Academy to support pupils with their BTech in Performing Arts. They joined in with pupils from other local primary schools including Rakegate, Bushbury Hill and Northwood Park. It was awesome!

Mrs Down

EYFS Nativity

Parents and staff were treated to a wonderful pre-Christmas gift from our youngest children. This annual event always puts us in the Christmas spirit and is worth the hard work that staff put in to make sure it runs smoothly.

Miss Butler

Parent Classes

Huge congratulations to all the parents that have attended parent classes. It's been fantastic to see you all progress and grow in confidence. Miss MacDonald and Miss Vaughan will be continuing these in the new year starting 17.1.19.

Miss MacDonald and Miss Lay

During Space week children came to school dressed up as scientists, astronauts or characters from space. Through visiting a mobile planetarium, children also had an opportunity to experience and find out more about light and dark, space, and the planets. The children had an amazing time and truly enjoyed themselves.

Mrs Dhir

Football

Our football team continue to play our other local primary schools. Despite the huge improvements they have made, we continue to await that elusive first win; we are positive that the New Year will see this victory. Watch out Wolves!

Miss Burton

Miss Lay

I am sure you would all like to join us in wishing Miss Lay the best of luck. She left us on Monday to start her maternity leave. We know she is going to make a great Mum.

From all of Miss Lay's friends at Dunstall Hill

Severn Trent Visit

On Monday 3rd December, Justin Crilly came into school to present an assembly for years 1-6 about water. Year 5 learnt about how water is purified and treated. In addition to this, Year 5 also learning about wasting and conserving water. Year 5 also had a workshop where they learnt about our sewage system, water use in the home and how water treatment forms part of the water cycle.

Mr Mahay

Information

Children return to school on the **Tuesday 8th January 2019** at the normal times.

I must also request that parents **stop** parking along the road on the Community Centre side. I will continue to monitor the situation and if it does not improve I will be forced to lock the gates at the top of the road. I do not take this decision lightly but it is putting our children's lives at risk.

Mr Asbury

ECO Award

School is really proud to have achieved the Bronze ECO award. The organisation audited school producing an action plan that focused on sustainability and impact upon the environment. We have now begun working towards the Silver Award.

Mr Fellows

Christmas Service

The children, staff and a few parents really enjoyed the Christmas service at the Tabernacle Church on Wednesday. It was great to see the respect we all hold for each others faiths.

We would just like to take this opportunity to wish the Reverend Summerville the best of luck in his new parish in London; he will be missed by us all.

Mr Asbury and Mrs Cartwright

Message from Mr Asbury

We have had a fantastic start to the year. Our children continue to make excellent progress in their academic studies and build upon their successes from the previous year. They are working really hard and making the most of the opportunities given to them in and outside of school; too much to put into this newsletter! This success is highlighted in the fantastic outcomes achieved by our children and we are positive that, with continued hard work and parental support, it will continue long into the future. I look forward to seeing you all at the gate in the New Year and would like take this opportunity to wish you all a restful and peaceful Christmas break.

Mr Asbury
