

MY HEAD GIRL SPEECH

I would like to be head girl because I would like to help the school in any way possible. This all starts with listening to fellow contemporaries' thoughts and ideas. I have a variety of useful qualities. I am reliable, and if I am chosen, I will come to every single meeting. I am helpful and will assist anyone who is unsure about starting school. Working hard is also one of my key aspects as nothing is achievable without hard work. Also I am loyal, generous and will take heed of any suggestions. I am good at being a role model. Also I have good manners and good behaviour. I have represented the school many a time. For the most part, I am confident, organised and relatively creative in what I do. Now I will leave it up to you to contemplate and consider my job as head girl. Thank you for taking time to listen to my speech.

Yours sincerely, Leya
