

Week 5 Day 4 – English – Dilemma (problem)

As part of your story planning, in today's lesson, you need to think of a problem that your character or characters will face in the story. Remember in the story you will have gone back in time.

Think about how your characters will behave in the story. What kind of problem or dilemma do they face?

Some examples of dilemmas or problems they could face are :

- An Egyptian Pharaoh's jewels and precious belongings are stolen from the tomb.
- The Vikings are about to raid your village.
- You are the leader of a Viking Raid but you accidentally damage all the swords and shields that are to be used in the raid.
- You are in the Stone Age and a group of saber-tooth cats are about to take over your settlement.
- You meet a dinosaur whose home is about to be destroyed.

Task – Write your ideas for the problem that your character or characters will face in the story.
