

## Week 5 Day 5 – English – Resolving the problem

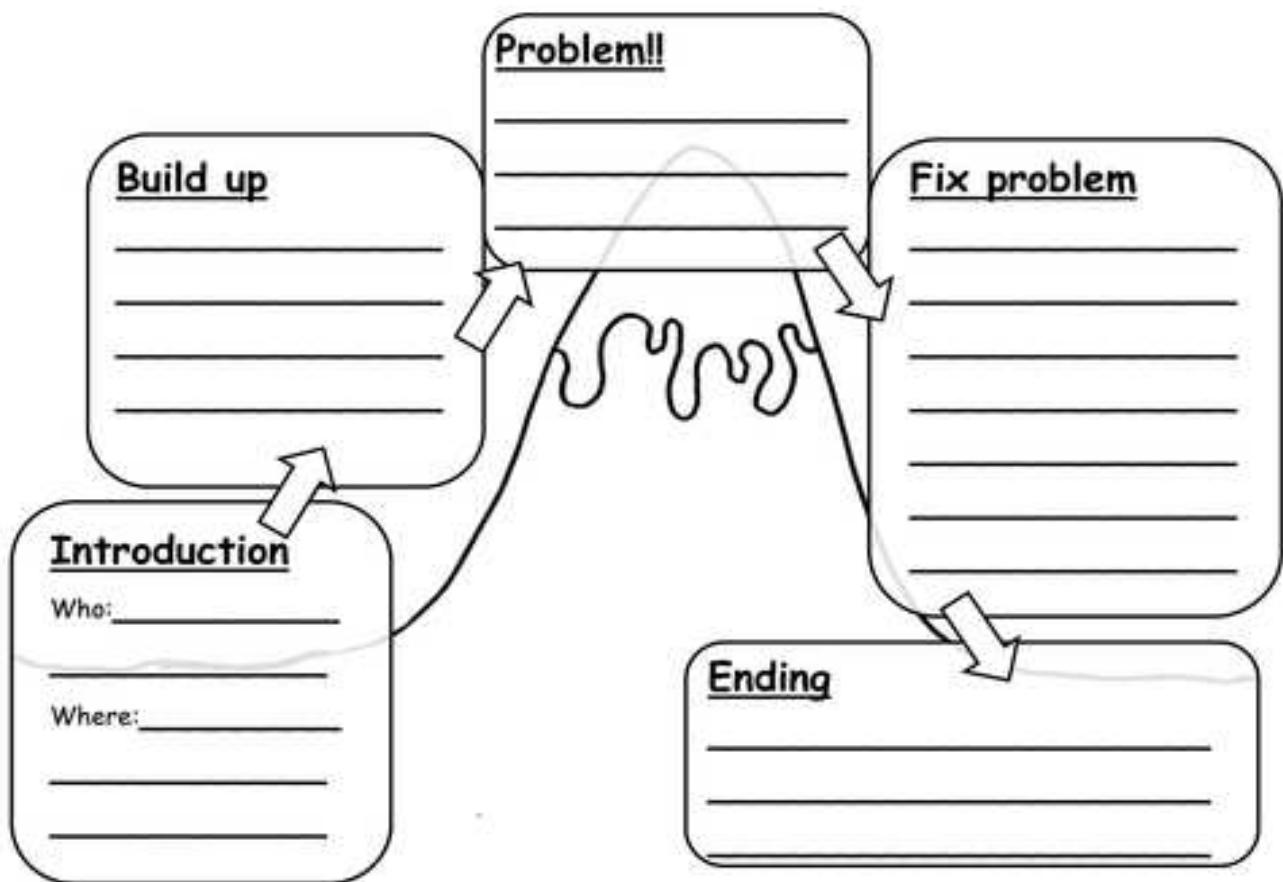

As part of your story planning, in today's lesson, you need to decide how the problem to your story is going to be resolved.

Think about what the characters do in the story to help sort the problem. Think about the kind of ending your story will have.

- Will it be a happy, sad or funny ending?
- Are the characters successful in sorting the problem?
- How do they sort the problem?

You could write your ideas for your story using these headings. Remember these are just notes and your ideas for the story. Next week, you will be having a go at writing the actual story.

When you have planned your ideas for the story, email it to your teacher and they will reply with feedback [dh.y4homelearning@perryhallmat.co.uk](mailto:dh.y4homelearning@perryhallmat.co.uk)
