Additional Resources and Activities

With Mental Health awareness week coming up it is important to engage in kind acts and things that make us happy. Why not help a family member? Pick up toys, draw a flower, help with cleaning, give a compliment, sing a song, hug your mum or dad. Write a thank you sign for your window or give to a parent. Smile 😊

There are plenty of resources available for all ages on Purple Mash. All the children in school should have their login details with them at home if you do not you will need to email your class teachers using the school email address you have been sent.
