

Summer Term – week 5

English

Reading

Read/listen to a book on [Oxford Owl](#), [Audible](#), [BookTrust](#) or [Love Reading](#) and discuss with your child – What did you enjoy? Who was the main character? Can you retell parts of the story?

In year 1 to 6 home learning there will be a more structured week around reading a book and completing tasks. If your child is ready for this, please look at the relevant year group.

Reading

RWI

[Ruth Miskin](#) - Set 1, set 2 and set 3 sounds, story time and support for parents when teaching RWI
Or see year 1 phonics in home learning for a more structured week.

Maths

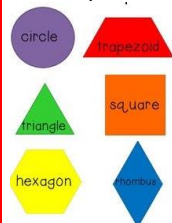

To recognise 2d shapes.

[Shape monsters](#) – fun interactive 2d shape game.

[Shape patterns](#) – sequencing 2D shapes game.

To recognise 2d and 3d shapes

[BBC bitesize](#) - covering the topics of 2D and 3D shapes, position and movement, angles, coordinates and maps.

- <https://www.mathplayground.com/>

Wellbeing

[“Time to Come in Bear”](#) an animated story about social distancing

Speech, language and communication

Speech and language therapy

If your child receives speech and language therapy it is important that you work towards those targets or visit [Wolverhampton SaLT](#) for more information.

Speech and language resources

[Chatter pack](#) - FREE Speech and language, OT, and many other SEND resources for families

[Troll Hunter](#) – Fun activity to do with your child. Read the story and complete the tasks as you go along.

[Widgit Online](#) – create activities using pictures with Free unrestricted access to Widgit online and its readymade materials for 30 days.

Use code: WIDGIT30

Handwashing

Handwashing

[Video 1](#) - Stop Germs from Spreading: Wash Your Hands.

[Video 2](#) - Chiku Learns To Wash Her Hands - ChuChuTV Story time and Good Habits Bedtime Stories for Kids.

[Handwashing activities for children](#) – free songs and lessons.

[Handwashing songs](#) – fun for children

Hand washing songs

Tune: Twinkle, twinkle little star
Twinkle, twinkle little star,
Look how clean my two hands are,
Soap and water, wash and scrub,
Get those germs off rub-a-dub,
Twinkle, twinkle little star,
Look how clean my two hands are.

Tune: Wheels on the Bus
The soap on your hands goes sud, sud, sud,
Sud, sud, sud,
Sud, sud, sud,
The soap on your hands goes sud, sud, sud,
And the germs go down the drain.

Tune: This is the Way We Wash Our Hands
This is the way we wash our hands
Wash our hands
Wash our hands
This is the way we wash our hands
Before we eat our food.

edu tribe

Memory and processing

[Natasha Lamb](#) – videos that support improving concentration and focus for learning.

Useful website

- <http://www.kidsites.com/> - educational activities and games.

[Parent Support](#) - Wolverhampton Outreach Service

[Government guidance](#) - Advice for parents and carers looking after children with special educational needs and disabilities (SEND).

[Wolverhampton information network](#) - Coronavirus Advice and Information

Support

Please note

Please refer back to previous weeks for activities based on **fine and gross motor skills**.

If there are any particular areas you would like more information on, please contact the school office and leave a message and an email address for Miss MacDonald and I will get back to you as soon as possible.

Rather than beginning with 'Age Related Expectations', it is a chance to focus on what your child already knows and to build up from there. You can always access lower year groups work. If your child is in year 5 but is currently working at year 2 in maths, they can access the year 2 resources to support. If you are unsure of what level your child is currently working at – contact your class teacher via the class email.

If you need any additional support, please contact the school SENCO 'Miss MacDonald' by phoning the school office **01902 556417** and leaving your child's name and the best way to contact you or contact your child's class teacher by using the year group e-mail.
