

## Week 4 Day 2 – Reading – Inference

This week, we have started a new class text called 'The Boy at the Back of the Class.' Our reading skill focus is inference. *Inference is an idea or decision we make based on the clues and evidence in the text.*

**Task A** – Look carefully at the front cover of the book. Around the picture, write down what you can see.

**Task B** – Using the picture on the front cover write down:

- what you can infer from the picture
- how you think the character is feeling

Use the sentence starters to help you.

I can infer that... because on the front cover...

I think that the character is feeling... because...

I believe that... This is because...

I think that the boy is... because...
