## Clues

**Edinburgh** is in Scotland. To the north of England. It is the most northern city on your map.

- **Cardiff** is in Wales. It is to the west of London.
- **Canterbury** is the furthest east of all of the cities on your map.
- **Belfast** is in Northern Ireland. It is the most westerly city on your map.
- **Manchester** is in the north of England. It is north-west of London.
- **London** is the capital of England. It is close to Canterbury.
- **The English Channel** is south of London and Canterbury. It separates England and France.
- **The North Sea** is to the east of England and Scotland.
- **The Atlantic Ocean** is to the west of England. It is a large ocean that separates Europe and America.

## CHALLENGE

- Can you add **Wolverhampton** to the map?
- Can you add any more UK cities? Here are some ideas: Leeds, Newcastle, Sheffield, Cambridge, Oxford, Exeter, Glasgow, Dublin.
