

Use and punctuate direct speech

Can you take the sentence from the speech bubble and turn it into direct speech? You need to add inverted commas (“ ”) and said, then the speaker’s name. Look at this example:

Shaun

“Happy Birthday!” **said Shaun.**

 <p>Are you okay?</p>	 <p>We're best friends.</p>	 <p>Football is my favourite sport.</p>	 <p>Yay, we won the match!</p>	 <p>Go and tidy your room!</p>

 <p>Do you like my ribbon?</p>	 <p>I think we're lost!</p>	 <p>Gosh, I'm so hot!</p>	 <p>What would you like for tea?</p>	<p>Challenge: Now make up one of your own!</p>
