

Summer Term Week 7

Reception

Transition

We look forward to welcoming you back to school in September.

Here is a little [poem](#) from the Early Years team to say thank you for being our little rays of sunshine! You have been a fabulous bunch to teach!

Phonics

Literacy

Please watch this lesson everyday – [speed sounds](#) set 1 focus on the pronunciation of the pure sounds.

➤ Play a game of I Spy... 'I spy with my little eye something beginning with'... (Choose a sound.)

➤ Have a look around your house what objects can you find that begin with the following sounds:

- sh
- ch
- th
- m
- a

Draw a picture of the objects and have a go at writing the word next to it.

- Remember to continue to play Fred games – sound out the word (SH-O-P-S) and your child will jump in and say the word (SHOPS) [Fred games summary](#)
- Read and write red and [high frequency words](#) - write sentences using the words.

There is a hotline available if you have any questions regarding phonics: homereading@ruthmiskin.com

This is the last week of home learning so let's have some fun!

- Think about what you enjoyed doing at your time in Reception. Draw a picture and send it to us via email.
- Make a party hat to celebrate finishing Reception then take a selfie and send it us again via email and tell us what you miss about school and what you have been up to.
- Write about what you're looking forward to in your new class when you start in September. Exciting times ahead as you start year 1 with your new teacher.

Try and spend 20-30 minutes a day reading. Here are our favourite books that you can read and listen to.

- Read/listen to Mrs Khan's favourite book [here - Gruffalo](#)
- Read/listen to Miss Elliott's favourite book [here - The Very Hungry Caterpillar](#)
- Read/listen to Mrs Lal's Favourite book [here - Beauty and the Beast](#)
- Read/listen to Miss Machin's favourite book [here - A Squash and a Squeeze](#)
- Read/listen to Mrs Down's favourite book [here](#)

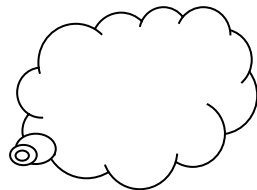

[- Ugly Duckling](#)

- Read Mrs Godfrey's favourite book [here - The Day the Crayons Quit](#)

Communication and Language

- Have a discussion about what you will be doing over the summer holidays. You might visit the beach or spend time with family that you haven't seen for a while.
- Think about what you can talk to your friends about that you haven't seen for a while due to being away from school.
- Write a speech about your time in Reception and record yourselves and send it to us.

Record your child's thoughts and ideas and send it to us via email.

Mathematics

This is our final week at school and we would like you to celebrate all the good times and say a big thank you to all the adults and family members that have helped you during your time at school and learning at home.

For Maths we think it would be great to play some number games to get your celebrations started. How about playing a game of:

- Snakes and Ladders
- [Cbeebies Games](#)
- SNAP! With a deck of cards
- Make up your own games

Topic

Our Topic this term is all about Superheroes!

UW/EAD

To help with your celebration, why not have a little end of term party and graduation ceremony at home. You can make –

- Your own Class of 2020 Sash
- A graduation cap
- Decorate with balloons and banners
- Make some cupcakes and decorate them with icing

P.E.

As we are focusing on superheroes, why not have a go at moving along to this [Go noodle clip](#).

Here's another [superhero workout](#). Stay active!

- Make a thank you present, write a card or send a gift to your family members or teachers
- Play Musical Statues
- Have a dance off!
- Enjoy yourself!

Here you can [Move like the Avengers](#).

PSED

Now that it has come to the end of the term:

- What did you enjoy the most at school?
- What have you enjoyed learning about the most?
- What will you miss?
- What are you looking forward to? Or feel nervous about?

Make sure you talk to your adults, parents and carers about your feelings and they can listen and help you to feel better and less anxious about coming back to school in September.

Additional Resources and Activities

[Twinkl Home Learning Hub](#). The Home Learning Hub every posts a new set of daily Activities to get involved with.

[BBC Bitesize](#) are launching their home learning service on Monday. This is another learning platform we would recommend. Click [here](#) for more information.

There are plenty of resources available for all ages on Purple mash. All the children in school should have their login details with them at home if you do not you will need to email your class teachers using the school email address you have been sent. [Click here](#).

There is also the website – [Oak Academy](#) for further help and resources on home learning.

Messages

Hello Parents/carers,

Thank you so much for all the hard work you have been doing with your child during lockdown. It has been a pleasure to teach your children even if it was for a short time. We look forward to welcoming you back in September. Keep safe and see you soon.

From,
The Early Years Team.

Hello Reception,

We cannot believe it is time to say goodbye ☹️ It's such a shame that our time together was cut short. In September, you will be in new classes with new teachers – how exciting 😊. We hope you have a great and relaxing break, and look forward to seeing your smiling faces around school in September. Stay safe and remember to keep washing your hands.

Lots of love,
The Early Years Team xx

Dunstall Hill Primary Reception Class

Reception 2019-2020

On your first day, you were so small,
But you put on your brave boots and stepped into school.

We went on a mini-beast hunt together,
Had forest school fun, whatever the weather.

And when lockdown came, you sailed on through,
Always trying your best – we are so proud of you!

From writing to counting and painting and more,
You can do anything that is for sure.

Thankyou Reception, we have had so much fun,
It's now time for you to sparkle and shine in year 1.

- We would love to post some of the children’s work on our website. Please get in touch by using the year group e-mail. Make sure you include all the characters, such as dots.
