17<sup>th</sup> July 2020

Dear Parents and Carers,

Thank you once again for your support through this unprecedented time. Together we have had to adapt and the resilience shown by yourselves, children and staff fills me with great pride.

Following current Government guidelines, we are prepared and excited to welcome all children back into school on 2<sup>nd</sup> September. During the summer holiday, we will closely monitor any updates from the Government and we will update you accordingly. If there are any changes to school opening on 2<sup>nd</sup> September, we will let you know.

When dropping off and collecting from school please adhere to any measures that we have in place relating to current government guidelines – **2 metre social distancing** and the **one-way system around school**. A letter will be sent out closer to the time for the pick-up points. It is important to us to do all we can to protect you and our staff and we thank you for your support.

Government guidance explains school uniform can be now worn providing it is washed regularly. A lunch box/bag can be brought into school for those that are having sandwiches and no other items are needed.

We hope this summer holiday provides a welcome break to all and allows you the time to relax with family and friends, ready for the return to school.

Stay safe and we look forward to seeing you all in September.

Yours sincerely,

L Fellows  
Head of School
