Dear Parents and Carers,

A vacancy has arisen for a Parent Governor on our Local Governing Body. The Local Governing Body is asking you to nominate someone with parental responsibility for a child at the School. If it receives more than one nomination, then a ballot will be held.

Before you decide to nominate someone, or indeed stand yourself, you may want to know a bit more about what is involved. Governors need not be experts in the field of education. What they do need is an interest in the school and in the welfare of our children and the time and willingness to get involved. You are most welcome to reapply if you have already been a parent governor.

The Local Governing Body is responsible for both the conduct of the School and for promoting high standards. Carrying out its role by setting the vision for the School and then ensuring that the School works efficiently and effectively towards achieving its vision. It does this by building a thorough knowledge of the School and its community, by both supporting and constructively challenging the School, and by ensuring accountability and compliance. The Local Governing Body of our School is made up of Parent Governors, Staff Governors and Community Governors.

Our Local Governing Body expects Governors;

- To attend termly meetings of the Local Governing Body, this might be online.
- Visit the school formally for monitoring purposes, when able to do so.
- Visit the school informally, when able to do so.
- Commit to attend training courses.

In return, our Local Governing Body commits to

- Provide you with a structured induction.
- Provide access to quality training.
- Provide you with an experienced Governor as a mentor.

Please can you confirm your interest by emailing the school with your contact details at dunstallhillprimaryschool@wolverhampton.gov.uk If we have more than one interested parent, then a ballot will take place.

Yours Faithfully,

L Fellows
Head of School
