

PATHWAYS TO CITIZENSHIP FOR YOUNG PEOPLE

Central England Law Centre & the refugee and migration team at **BCC** are pleased to offer a free awareness raising session about **issues of citizenship for children and young people from migrant and asylum seeking backgrounds.**

Being born in the UK is not an automatic route to British Citizenship, & the consequences of not registering before the age of 18 can be very serious.

Young people can be denied access to funding for further education, and can even be at threat of deportation.

This webinar will equip teachers, school staff, educators, social workers, youth workers and third sector organisations with information about these issues, and the knowledge to know how, and where to access information and help.

The session will be held via a Teams webinar on the
15TH OCTOBER - 3:00 PM TO 4:30PM
