**Dunstall Hill Primary  
Reception Class**

Hello Reception, how are you all?  
This week we have been learning all about Jack and the Beanstalk and how plants grow with the new spring topic. The teachers are so pleased to see more of you on line learning, it has been amazing. This week we will be exploring how a frog grows and learning to describe different characters in the story of Jack and the Beanstalk. During team's sessions, the teachers have been really pleased with all your good listening and turn taking. Keep it up. Have a great week Reception from all your teachers at school.

PIC•COLLAGE

Here is this week's song for  
learning together.

The more we get together  
Together, together  
The more we get together  
The happier we'll be.

Because your friends are my friends  
And my friends are your friends  
The more we get together  
The happier we'll be  
Oh, the more we get together  
Together, together.

We would love to post some of the children's work on our website. Please get in touch by using the year group e-mail. Make sure you include all the characters, such as dots. Here is the email address for you to send your super work to.
