Messages

Dear Year 5,

WELL DONE for a fantastic 4th week of remote learning! It has been so wonderful seeing your smiling faces over the last few weeks and listening to and reading your excellent contributions. We are all extremely proud of your engagement throughout the online sessions and we enjoy receiving every piece of work that you submit, whether it's through assignments, emails or the chat function. We see them all and appreciate the amount of hard work and effort that you put into your work.

We know that it can be extremely challenging to work from home and we know that many of you, like us, are missing being together in school. Please take the time to use some of the strategies we've worked on and the links above to relax, get active and take care of your wellbeing. Remember that, just like at school, we are here if you need to talk or have any concerns. We look forward to another week of learning together.

Take care and stay safe,

Miss. Lay, Miss MacDonald, Miss. Begum, Miss. Benton, Mrs. Chatle, Mr Humphries
