BBC Sign in

Bitesize

BBC Bitesize are launching their home learning service on Monday. This is another learning platform, we would recommend. Click [here](#) for more information.

Oak National Academy Online Classroom there are nearly 10,000 free video lessons, resources and activities, covering most subjects, from Reception to Year 6 [click here](#).

Exercise/PE	Wellbeing
<p>In addition to your daily exercise the Government have recommended, we would recommend at least another 30 minutes if possible. See below for some useful resources:</p> <ul style="list-style-type: none"> • Disney 10 Minute Shakeups • Super Movers • #ThisIsPE • PE with Joe Wicks  <ul style="list-style-type: none"> • Indoor Activities for Kids • This week, Reception's topic is in the fairy garden. You could try some of the super outdoor tasks in your garden and have lots of fun moving in the outdoors. The link for the national trust website is here for you to explore. https://www.nationaltrust.org.uk/rainham-hall/features/nature-and-wildlife-learning-resources 	<p>These activities are here to support wellbeing and mindfulness. They can include a range of activities from art to music.</p>  <ul style="list-style-type: none"> • Can you draw and design your own fairy garden? What sounds would the magic garden make? Can you listen to different pieces of music that might make you think of a fairy garden?  <ul style="list-style-type: none"> • Join cosmic yoga this week and move in different ways as you explore the different items in the forest. https://www.youtube.com/watch?v=L8eMSTZ1LbI

- Can you be a tree explorer?
Can you identify and look for different trees and talk about the different ones you have found? You can use the activity book attached to help you with the challenge.

- Now's the time to look for lots of birds in your garden. Get to know the ones where you live. **It's easy to make a bird feeder to hang outside your window.** Then, watch, listen & identify! Use the spot it sheets to find the different birds from the RSPB.
- <https://www.rspb.org.uk/fun-and-learning/for-teachers/lesson-plans-and-supporting-resources/spot-it/>

- When you look at the sky in the day, watch the clouds. Can you spot different patterns? Draw a picture of the clouds or imagine that you can see pictures in the different shapes.

**Dunstall Hill Primary
Reception Class**

PIC•COLLAGE

Hello Reception, we hope that you all had a great time in the snow. Your teachers have really enjoyed sharing the pictures and talking to you about your adventures. We have also enjoyed learning all about Jack and the beanstalk and seeing all your giant characters. They are amazing. This week we are going to be looking for magical fairies in the fairy garden, so keep looking in the garden to see what you can find!

Please make sure to share your amazing work over the week. You can do this by uploading to assignments on the team's class page or by sending it to us on the class email below. We cannot wait to see you all on teams this week. Many thanks for your support from the Reception team.

Here is this week's song.

How to make the flowers grow?

(To the tune of Polly put the kettle on)

How to make the flowers grow?

How to make the flowers grow?

How to make the barley grow?

Sun, sun, sun.

Sun and run and sun again.

Leaves make food, plants grow again.

New leaves grow from 1 – 10.

We would love to post some of the children's work on our website. Please get in touch by using the year group e-mail. Make sure you include all the characters, such as dots. Here is the email address for you to send your super work to.
