

12th May 2021

Dear Parents and Carers,

Thank you once again for your support as we continue a fun filled Spring Term by celebrating National Numeracy Day.

On Wednesday 19th May we will be celebrating Numeracy Day and invite the children to come to school wearing number related non-uniform! If you do not have anything number related, please do not buy anything new, maybe make your own at home. Otherwise, normal clothes from home are absolutely fine. Here are some examples of number related clothing.

Maths is an important part of our curriculum and allows the children to feel confident with numbers. As part of National Numeracy Day, the children will be celebrating Maths and their achievements. On this day, children will take part in a number of Maths activities.

Please see link below for more information on National Numeracy Day and details on how you can get involved with Maths based activities and competitions.

<https://www.nationalnumeracy.org.uk/>

We look forward to celebrating this special day at Dunstall Hill and to see more of the wonderful maths work the children will be producing.

Yours Faithfully,

Headteacher
