	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Music is an integral part of our Early Years curriculum. Children will learn by practicing songs and poems in class with other children. There will also be opportunities for our children to engage in performances across the years. They will begin to develop their knowledge of pitch and rhythm from activities such as call and response games. Our EYFs environment has a range of musical instruments that will allow the children to explore the idea of pulse and sound, and they will also be exposed to different types of music from a range of composers and artists such as Sergei Prokofiev and Gustav Holst.
